

Medomak Valley High School 21st Century Learning Expectations

We recognize that opportunities for students to learn and practice the 21st Century Learning Expectations occur daily across content areas and through a wide variety of experiences. At MVHS the *assessment* of these learning expectations is assigned to departments. Opportunities to demonstrate proficiency are listed by department below.

Learning Expectation: Students will become:	Department Responsible for Assessment:
1. Clear and effective communicators	English and Foreign Language
2. Prepared and engaged self-directed learners (including economic and civic literacy)	Social Studies
3. Creative, practical, and collaborative problem solvers	Mathematics
4. Responsible, respectful, and involved citizens	Visual Arts, Health, and Physical Education
5. Integrative and informed thinkers	Science
