

## Minutes for September 11, 2013 Curriculum Meeting

Kim Schroeter shared the NCLB Application projects. For Title I funds will be spent for the following areas: Administration and Coordination, Homeless, Parent Reservation and K-6 Supplemental Instruction for Math and Literacy. All for these projects are aligned with the expectations from the State department and the over all district plan.

Title II, which are funds that can only be spent for professional development to support district initiatives. The following projects have been written:

- Improving Instruction –English/Language Art and the implementation of the Comprehensive Literacy Model for Continuous School Improvement
- Common Core Implementation – Math
- Next Generation Science Standards Implementation
- Proficiency-Based Graduation

Kim shared the curriculum documents and curriculum notebooks for K-6

We talked about the up-coming Curriculum Night for parents. Kim is working with all the elementary and middle school principals to offer parent informational evening for Standard-Based Education. They will be October 1, 2013 at Prescott, October 2, 2013 at Warren, October 7,2013 at Miller and Union, October 9, 2013 at Friendship, and October 15, 2013 at the Middle School.

Kim shared a continuation of a ‘Needs and Action” document for the implementation of Standard-Based Education that was originally developed last year. Kim has update with 2013-14 action items to reflect what is currently planned to happen this year.
