4. In the case of a layoff, the Superintendent will consider ability, employment history, and qualifications for the position. 5. The affected employee shall be given a minimum thirty (30) working days layoff notice.
6. The Association shall be notified as to the name and positions of the employee(s) laid off in accordance with this article.

An employee who has been laid off shall be placed on the recall list and shall be sent position vacancy announcements in the unit during the two years of the recall period. The employee shall have the responsibility for keeping the Board advised of his/her current address. Announcements shall be sent to the employee's last known address.
3. In the case of a recall, the Superintendent will consider ability, employment history, and qualifications for the position. If the Superintendent determines that these factors are equal, seniority will be the deciding factor.
4. Notice of recall will be given by certified mail to the last address given to the Board. A copy of the notice of recall will simultaneously be given to the Association.
5. If an employee who has been laid off is rehired from the recall list, the employee shall be granted the seniority accumulated prior to the layoff.

## **ARTICLE XXVII - GRIEVANCE PROCEDURE**

### **A. Purpose**

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to problems which from time to time arise involving conditions or terms of this contract. Both Parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any member of the administration, and having the grievance adjusted without intervention of the Association provided the adjustment is not inconsistent with the terms of this Agreement, and that the Association has been given the opportunity to be present at such adjustment and to state its views.

### **B. Definitions**

1. A "grievance" for purposes of this contract shall be defined as any controversy, complaint, misunderstanding or dispute arising between the parties as to the meaning or application of the specific terms of this agreement. It is expressly understood and agreed that the definition of grievance contained in this section shall in no way affect the RSU 40/MSAD 40 School Board's exercise of its obligation to formulate and establish educational policies pertaining to the management of the RSU 40/MSAD 40 school system, pursuant to the constitution, laws and regulations of the State of Maine or its duly authorized agencies.
2. An "aggrieved person" is the person or persons and/or the Association making the claim.
3. A "party of interest" is the person or persons and/or the Association making the claim or any person who might be required to take action or against whom action might be taken in order to resolve the claim.
4. "Days" shall mean any business day that the Superintendent's office is open.

### **C. Time Limits**

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual written agreement.

### **D. Informal Procedure**

A grievance must be initiated within thirty (30) days of the date the acts or omissions giving rise to the grievance were discovered or should have been discovered. If an employee or the Association feels that there may be a grievance, the grievance should first be discussed with the principal or other appropriate administrator in an effort to resolve the problem informally.

### **E. Formal Procedure**

#### **1. Level 1 - School Principal or Immediate Supervisor**

- a. If an aggrieved person is not satisfied with the outcome of the informal procedure, he/she may present his/her claim within ten (10) days as a formal grievance, in writing, to his/her principal or immediate supervisor.
- b. The principal or supervisor shall, within ten (10) days after receipt of the written grievance, render his/her decision and the reasons in writing to the aggrieved person with a copy to the President of the Association.

#### **2. Level 2 - Superintendent of Schools**

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level 1, he/she may, within six (6) days after the decision, or within eight (8) days after his/her formal presentation, file his/her grievance with the Superintendent of Schools.
- b. The Superintendent shall, within ten (10) days after receipt of the referral meet with the grievant and his/her representative for the purpose of resolving the grievance. The Superintendent shall, within ten (10) days after the meeting, render his decision and the reasons in writing to the aggrieved person.

#### **3. Level 3 - Board of Directors**

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level 2, he/she may within six (6) days after the decision, or within eight (8) days after his/her formal presentation, upon notification to the Superintendent, file his/her grievance with the Board of Directors.

- b. The Board of Directors shall, at their next regular meeting, meet with the aggrieved person for the purpose of reviewing the grievance.
- c. The Board of Directors shall, within seven (7) days after such meeting, render its final decision and reasons in writing to the aggrieved person.

#### 4. Level 4 - Impartial Arbitration

- a. If the grievant is not satisfied with the disposition of the grievance at Level 3, the aggrieved person may within six (6) days after the decision request in writing to the President of the Association that the grievance be submitted to arbitration.
- b. The Association shall, within ten (10) days after receipt of such request, if the Association formally determines that the grievance is meritorious and recommends such action, submit the grievance to arbitration by so notifying the Board in writing.
- c. The Board Chair or a designee and the President of the Association or a designee shall, within ten (10) days after such written notice, jointly select a single arbitrator who is an experienced and impartial person of recognized competence. If the parties are unable to agree upon an arbitrator within ten (10) days, the American Arbitration Association shall immediately be called upon to select one.
- d. The arbitrator selected shall confer promptly with the representative of the Board and the Association, shall review the record of the prior hearings, and shall hold such further hearings with the aggrieved person and other parties of interest as he/she shall deem requisite.
- e. The arbitrator shall within thirty (30) days after his/her selection, render his/her decision in writing to all parties of interest, setting forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this agreement. The decision of the arbitrator shall be submitted to the Board and the Association, and shall be final and binding on the parties.
- f. The costs for the services of the arbitrator shall be borne equally by the Association and the Board.

#### F. General Provisions

- 1. Any grievance not initiated or preceded in accordance with the procedures herein shall be deemed waived.

2. Each grievance must be filed on the mutually acceptable grievance form attached as Appendix A.
3. No reprisals of any kind shall be taken by either the grievant, the Association, or the Board against any participant in the grievance procedure because of such participation.
4. An employee may be represented at any level of the grievance procedure by a representative of his/her choice.
5. All documents, communications, and records dealing with the processing of a grievance, in cases where the Association President is the grievant acting on behalf of other Association members, shall be kept in a separate file and not in the Association President's personnel file.
6. The grievance procedure may be used by employees who believe they are performing work outside their job description because of inappropriate or significant changes in responsibility.

- B. This instrument shall contain the entire agreement between the parties and no statement, promises or inducements made by any party hereto, or agent or employee of either party hereto, which is not contained in this written contract shall be valid or binding; and this contract may not be enlarged, modified, or altered except in writing signed by the parties and endorsed herein.

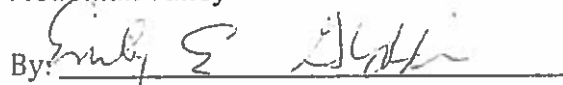

C. IN WITNESS WHEREOF, the parties have caused this Agreement to be executed the day and the year first above written, the signatures hereto being authorized to sign and agree to this Agreement.
